## TENNESSEE'S UPPER CUMBERLAND

### UPPER CUMBERLAND DEVELOPMENT DISTRICT

The Upper Cumberland Development District (UCDD) was created by the Tennessee General Assembly in 1969 to provide regional planning and assistance to the following counties: Cannon, Clay, Cumberland, DeKalb, Fentress, Jackson, Macon, Overton, Pickett, Putnam, Smith, Van Buren, Warren, and White.

It is our belief that the 14 counties, along with the many municipalities contained within, are made stronger through regional cooperation and shared resources.

#### MISSION

To help the Upper Cumberland region cultivate self-sufficiency and build true wealth through innovation, collaboration, and leadership.

#### VISION

A region abundant in resources, fostering a productive and vibrant life for the people of the Upper Cumberland.

### AREA AGENCY ON AGING AND DISABILITY

#### MISSION

Through advocacy, planning, and coordination, the Upper Cumberland Area Agency on Aging and Disability will provide a comprehensive and innovative service delivery system that meets community and social service needs so older adults, caregivers, and adults with disabilities can achieve and maintain active, healthy, and independent lives.
